

**Try it for yourself:**

go to [www.webtms.com](http://www.webtms.com)

Enter the login name and password sent to you from us, please click on register or contact us if you do not already have this information.

You will need a PC with good Internet connection, and IE5

**To find trademark records:**

From the Main Menu, click on "Trademark Records"

In the search screen, enter Rav\* in the Owner field and click the Search button. This will give you a list of marks in name of Ravenswood, Inc

Or enter rav\* in the trademark field, for trademarks beginning with RAV

Or enter pepsi\* in the trademark field

When the hit list appears, click "Edit" to bring up the record sheet. You may now amend or add to the record

**To prepare a report**

Return to the hit list by using the on-screen "Back" button, and put a few checks in the checkbox column and click "print selection" select a report (such as "Trademark records by Owner") to print by clicking on its name. You may then review, print or email the report.

#### To see some demo patent records

Select "Patents" from the main menu and in the search screen look for US records. To do this click on the Country field, enter U and use the down arrow until you come to United States of America; or scroll down until you reach the entry. Click on the Search button to get the hit list of results.

Click on Edit on any of the rows to see the patent record.

Double click on the drawing to enlarge it. You can also click on the "View Scan Docs" button to view the front page of the issued patent. (You may need to click the "Open file from its current location" option)

To see the images, the workstation you are using may need to have an image viewing program configured.
